Haitian Health And Education Foundation (FHASE)
Haitian Community Hospital (HCH)**

To Whom It May Concern:

This letter is to invite Rainmaker to undertake fundraising efforts on our behalf for the costs of 2 ambulances and for construction projects.

L'Hopital de la Communauté Haïtienne is a project of the Haitian Health and Education Foundation, a 501C3 organization registered in Florida.

The Hospital has served 10,000 earthquake victims in the last two months and continues its mission to promote health and health education in Haiti.
